**Major 9/11 Anniversary Week Events in the U.S.:**

This 2019 Sept. 11<sup>th</sup> Anniversary promises historic breakthroughs for a real and independent investigation of the Events of 9/11.

**Berkeley, California -- Sept. 5<sup>th</sup>:** The four-year WTC 7 Study by the Chairman of the Dept. of Civil and Environmental Engineering at the University of Alaska Fairbanks, Prof. Leroy Hulsey, has just been released. The Study found conclusively that office fires *did not* cause the total collapse of

this *third* World Trade Center highrise building on 9/11 as claimed by the U.S. Government. Dr. Hulsey will present the Study's research and findings at the University of California Berkeley Faculty Club on Sept. 5th at 5:00 p.m. West Coast time. The Report and side-by-side simulations by the Government and based on the Hulsey study's findings, both instantly visually compared to the actual video of WTC7's collapse, are at [www.ae911truth.org/wtc7](http://www.ae911truth.org/wtc7).

**New York City -- Sept. 7th:** The Lawyers' Committee for 9/11 Inquiry ([www.lcfor911.org](http://www.lcfor911.org)) is sponsoring a livestreamed Event from 3:00 to 7:00 p.m. at the Unitarian Church of All Souls in New York City at 1157 Lexington Avenue.
